Profile:

My name is Bersam (pronounced as [ber sa:m] in English and written as: "برسام" in Persian). I was born in Iran and since then I have lived in Iran. I am a kind of young programmer who tries to learn new things and to be well-experienced in programming. Moreover, working in Free Software field(s) is one of the things who I tend to do constantly. By a quick search you can find me in Wikipedia editors too!

Skills:

Linux
PHP / Smarty
MySQL
HTML 5 / CSS 3
JavaScript / JQuery
WordPress / Dokuwiki /
Mediawiki / Joomla ...

Familiar:

Python
C++ (Learning)
Assembly (ASEM-51)
